TECHNICAL SUMMARY

Research & Methods: Legislative and regulatory review; literature synthesis; quantitative and qualitative analysis; data cleaning; interviewing; thematic coding; policy memo and long-form writing
Software: Microsoft Excel, Word, Outlook, Google Workspace, and Airtable; Stata, R, and Python (prior academic use)
AI & Automation: OpenAI and Anthropic tools for source discovery, exploratory analysis, and visualization; developing agentic research and outreach workflows; built caleb-johnston.com with Claude Code
Credentials & Languages: Supervised Machine Learning: Regression and Classification — DeepLearning.AI (Coursera), Apr 2025; Anthropic AI Fluency for Students and AI Fluency: Framework & Foundations (2026); Spanish (Intermediate)

RESEARCH & PROFESSIONAL EXPERIENCE

GEORGETOWN PRISONS & JUSTICE INITIATIVE

Washington, D.C.

Georgetown initiative providing higher education, legal training, and reentry services.

Reentry Assistant

Jan - Aug 2026

- Authored a 59-page MA capstone on reentry governance using nine interviews, 15 field journals, participant observation, and documentary analysis; developed a three-regime framework and implementation recommendations.
- Researched nine Maryland reentry providers for BLA students leaving Patuxent, then conducted outreach that helped PJI begin a relationship with Freedom Advocates Celebrating Ex-Offenders (FACE).
- Supported six education and reentry programs across PJI's office and correctional facilities in D.C. and Maryland; prepared materials, processed records and mail, maintained calendars, took notes, and managed concurrent research requests.
- Improved PJI office operations by authoring a comprehensive front desk operations manual, developing an internal inventory management application to streamline office supply tracking and procurement, training new student workers, and managing daily front desk operations.

CARMICHAEL FOR WARD 5 COUNCIL

Washington, D.C.

Grassroots campaign for D.C. Council in Ward 5.

Deputy Campaign Manager

Feb - Jun 2026

- Managed 10+ volunteers across canvassing, phone banking, and community events for a campaign that earned 2,723 votes; coordinated field operations, logistics, and deadlines.
- Represented the candidate at 10+ public events and drafted briefings, outreach materials, and messaging; translated constituent concerns about housing affordability and economic security into campaign priorities.

GEORGETOWN UNIVERSITY - DEPARTMENT OF GOVERNMENT

Washington, D.C.

Academic department supporting undergraduate instruction in U.S. politics and international relations.

Graduate Teaching Assistant

Aug 2025 - May 2026

- Led weekly discussion sections for approximately 40 students in U.S. politics and international relations; created slides and review guides, graded written work, and balanced deadlines across two concurrent courses.

UNIVERSITY OF TEXAS AT AUSTIN - DEPARTMENT OF GOVERNMENT

Austin, TX

Faculty research project examining democratic norms and electoral legitimacy in U.S. campaigns.

Political Research Assistant

Jun - Aug 2024

- Built and quality-checked a Google Sheets dataset with thousands of candidate records across presidential, congressional, and gubernatorial races (2000-2024), compiling results, vote margins, party, and incumbency.
- Coded approximately 100 victory and concession speeches for democratic-norm language, recounts, and litigation context while meeting weekly deadlines for Professor Bethany Albertson.

SELECTED RESEARCH & POLICY PROJECTS

- **Econometrics:** Built a 50-state OLS model in Stata using 2021 labor, wage, health, education, demographic, and cannabis-policy data; ran diagnostics and a logged specification, interpreting findings as exploratory rather than causal.
- **Survey Design:** Developed a three-arm randomized experiment proposal on racial-identity activation and political attitudes among multiracial adults, specifying a proposed 1,200-person sample, outcome measures, and an OLS analysis plan.
- **Policy Memo:** Authored an 11-page academic memo evaluating CPTED and social-investment options for two D.C. communities; recommended a two-tier strategy with implementation, funding, and accountability measures.

EDUCATION

GEORGETOWN UNIVERSITY

Washington, D.C.

Master of Arts, American Government - GPA: 4.0 | All requirements completed

Expected Aug 2026

UNIVERSITY OF TEXAS AT AUSTIN

Austin, TX

Bachelor of Arts, Economics and Government (Double Major) - GPA: 3.67

Aug 2024
